

■ ■ Nashik Roads & Civic Monitor: Deliverable 5 — Updated Functional Screenshots

Submission Format: Screenshots reflecting current, tested functionality across all municipal modules | **Status:** 100% Live & Verified

Figure 1: Citizen Social Media & Grievance Feed

Live mobile-first citizen feed displaying real submitted grievances (e.g., Ticket NMC-2026-4009 by Bhoomi Kabra), +1 community upvoting, social media sharing (WhatsApp, Twitter/X), and anti-fraud status verification.

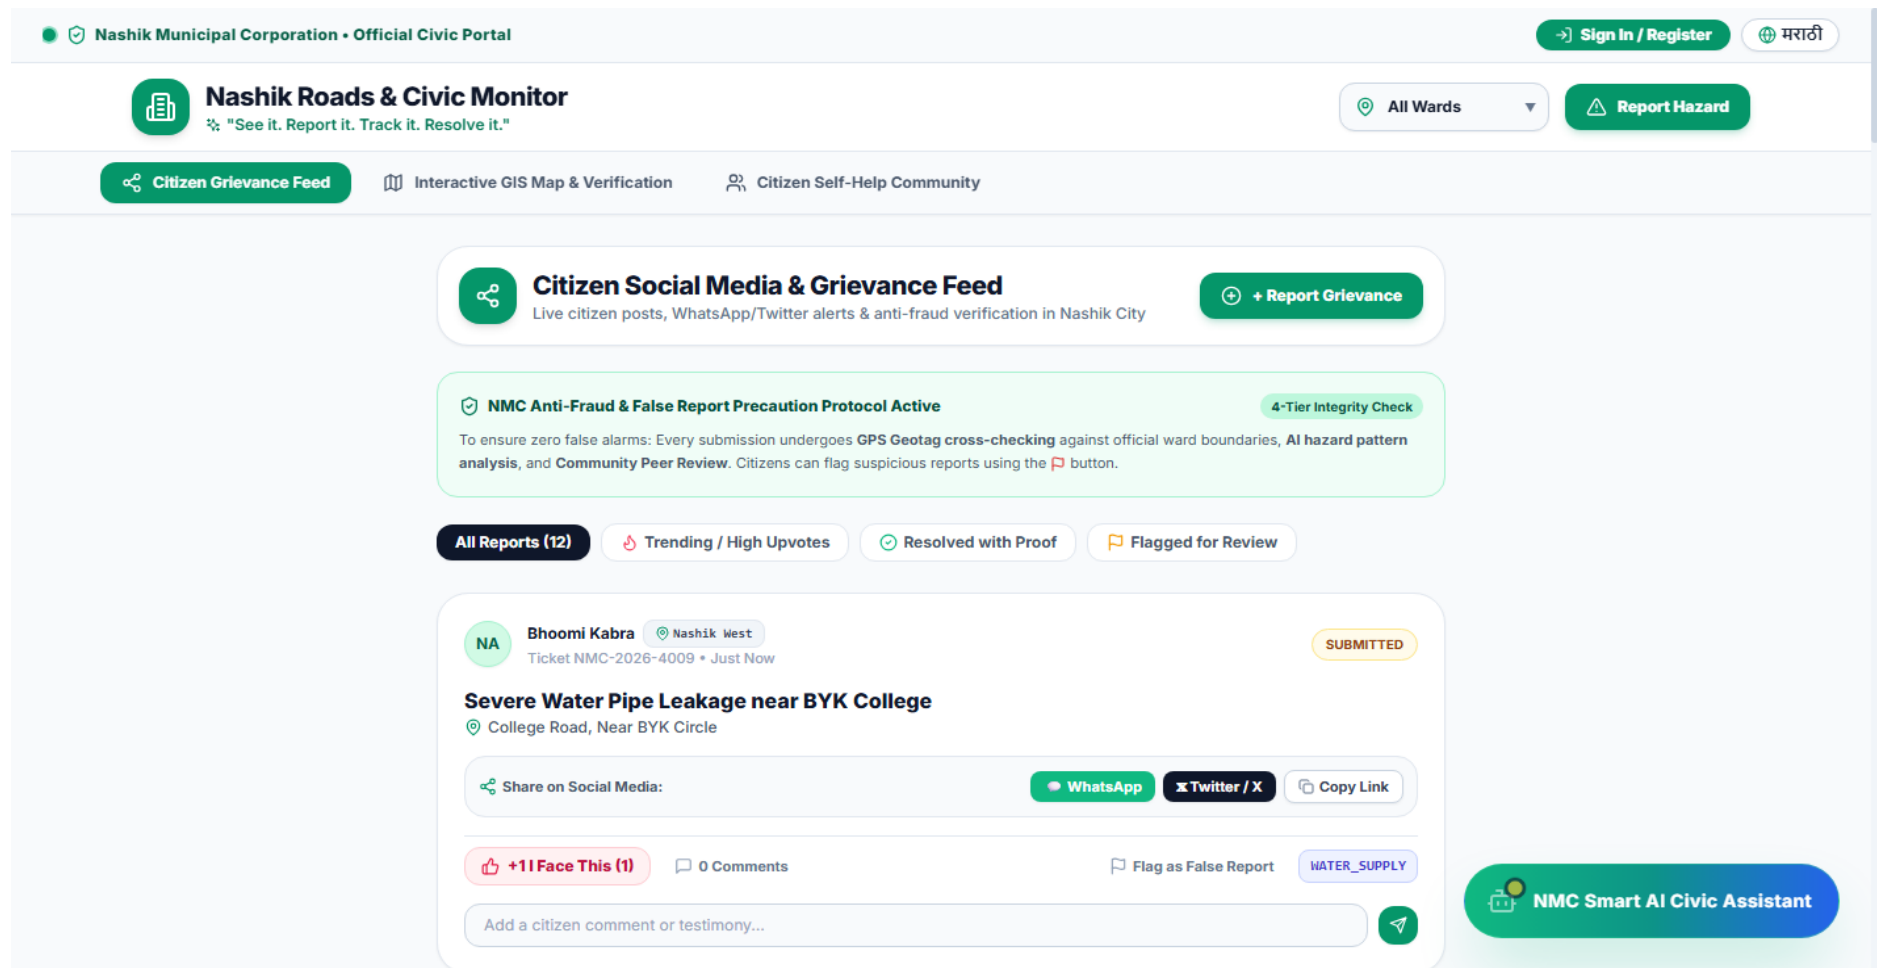

Figure 2: Interactive Leaflet GIS Road Infrastructure Map

High-precision Leaflet map centered on Nashik with 17 active markers (12 citizen complaints in blue/orange and 5 road works in yellow/green/red), real-time database sync badge, and 6-ward dropdown filter.

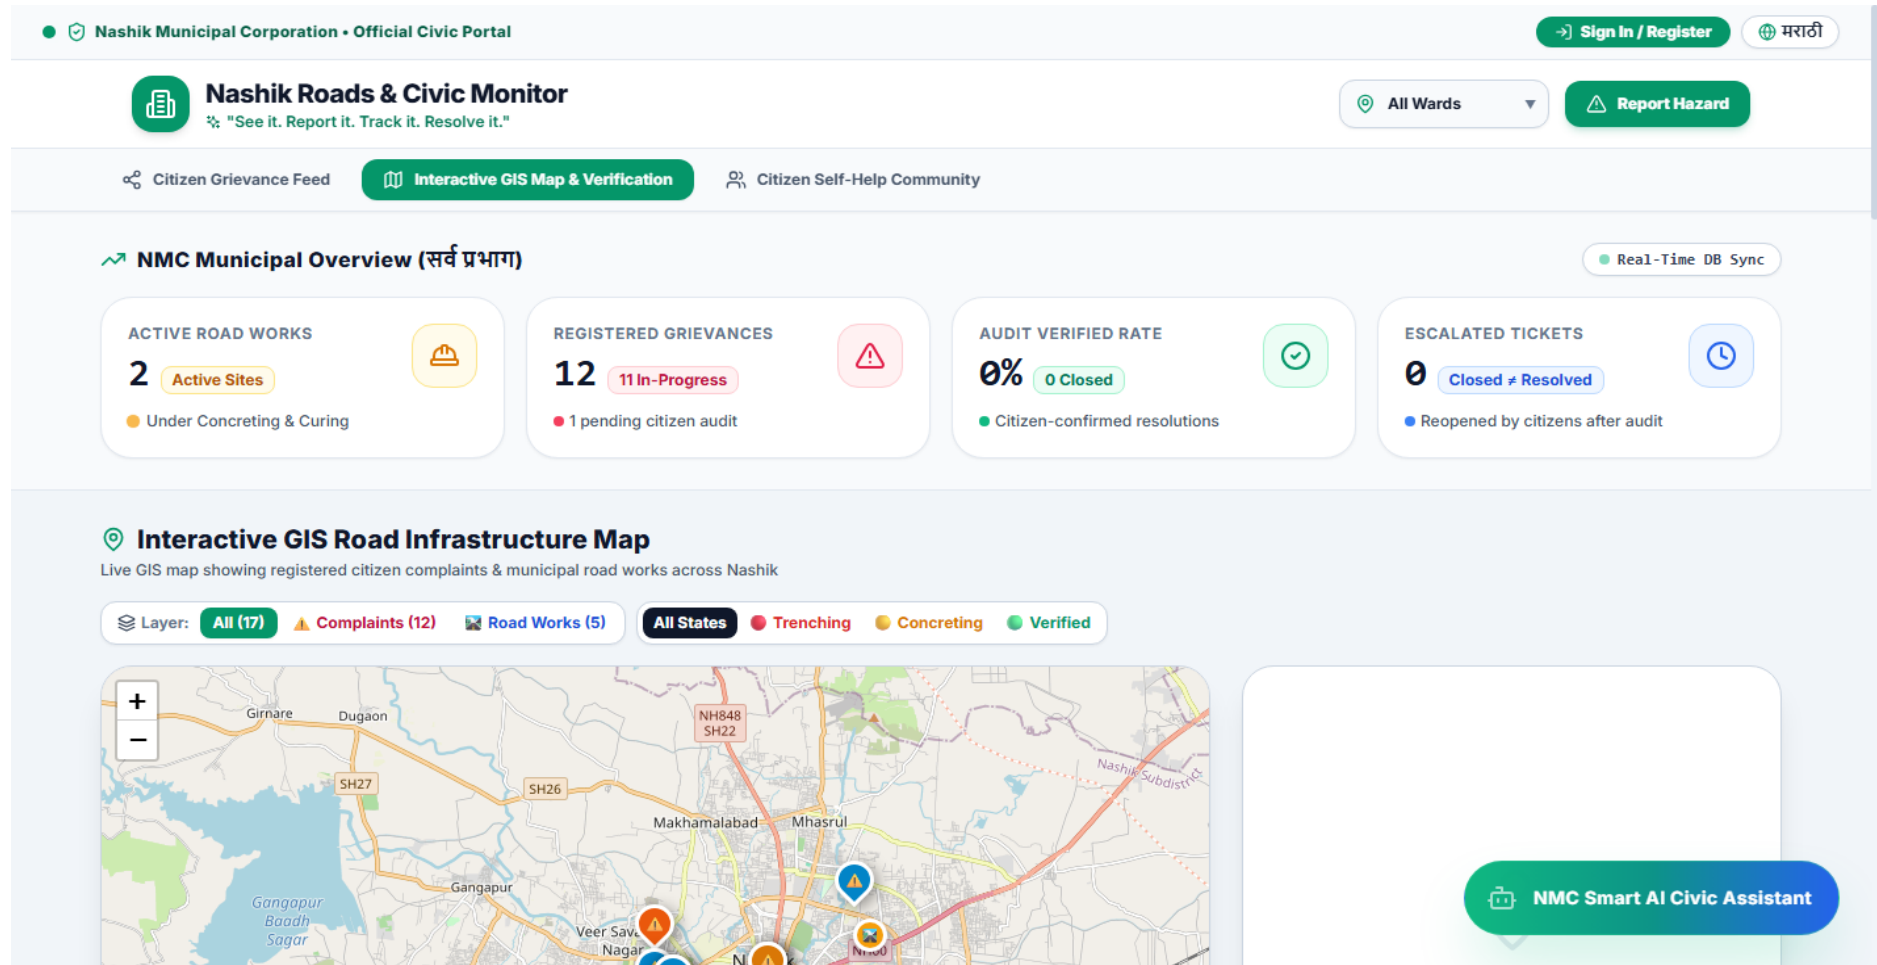

Figure 3: Citizen Grievance Modal with Exact Landmark Snapping

Demonstrates instant landmark snapping for 'Hirawadi Road / Vidhate Nagar' with popular Panchavati spot suggestions, Indian 10-digit mobile contact validation, and camera photo downsampling.
